2.1; 2.4; 4.6

PART 1 Notices

To Debtors: This form sets out options that may be appropriate in some cases, but the presence of an option on the form does not indicate that the option is appropriate in your circumstances or that it is permissible in your judicial district. Plans that do not comply with local rules and judicial rulings may not be confirmable.

In the following notice to creditors, you must check each box that applies.

To Creditors: Your rights may be affected by this plan. Your claim may be reduced, modified, or eliminated.

You should read this plan carefully and discuss it with your attorney if you have one in this bankruptcy case. If you do not have an attorney, you may wish to consult one. The headings contained in this plan are inserted for reference purposes only and shall not affect the meaning or interpretation of this plan.

If you oppose the plan's treatment of your claim or any provision of this plan, you or your attorney must file an objection to confirmation at least 7 days before the date set for the hearing on confirmation, unless otherwise ordered by the Bankruptcy Court. The Bankruptcy Court may confirm this plan without further notice if no objection to confirmation is filed. See Bankruptcy Rule 3015. In addition, you must file a timely proof of claim in order to be paid under this plan, unless ordered otherwise.

If a claim is withdrawn by a creditor or amended to an amount less than the amount already disbursed under the plan on account of such claim: (1) The trustee is authorized to discontinue any further disbursements to related claim; (2) The sum allocated towards the payment of such creditor's claim shall be disbursed by the trustee to Debtor's remaining creditors. (3) If such creditor has received monies from the trustee (Disbursed Payments), the creditor shall return funds received in excess of the related claim to the trustee for distribution to Debtor's remaining creditors. (4) If Debtor has proposed a plan that repays his or her creditors in full, funds received in excess of the related claim shall be returned to the Debtor.

The following matters may be of particular importance. Debtor(s) must check one box on each line to state whether or not the plan includes each of the following items. If an item is checked as "Not included" or if both boxes are checked, the provision will be ineffective if set out later in the plan.

If fewer than 60 months of payments are specified, additional monthly payments will be made to the extent necessary to make the payments to creditors specified in this plan.

2.2 Regular payments to the trustee will be made from future income in the following manner:

Check all that apply.

☐ Debtor(s) will make payments pursuant to a payroll deduction order.

☒ Debtor(s) will make payments directly to the trustee.

☐ Other (specify method of payment): _____

2.3 Income tax refunds:

Debtor(s) will supply the trustee with a copy of each income tax return filed during the plan term within 14 days of filing the return and will comply with 11 U.S.C. § 1325(b)(2). If the Debtor(s) need(s) to use all or a portion of such "Tax Refunds," Debtor(s) shall seek court authorization prior to any use thereof.

2.4 Additional payments:

Check one.

☐ None. If "None" is checked, the rest of § 2.4 need not be completed or reproduced.

☒ Debtor(s) will make additional payment(s) to the trustee from other sources, as specified below. Describe the source, estimated amount, and date of each anticipated payment.

Any non-exempt proceeds of the Debtor's cause of action listed on Schedule A/B received during the term of the Plan either by judgment or settlement shall be paid into the plan as a lump sum. The Liquidation Value will be reassessed upon judgment or settlement. The Debtor notes that as of the date of the present proposed amended Plan, the Debtor's cause of action is in its initial stages, the same is being analyzed and assessed and its monetary value is pending to be determined.

PART 3: Treatment of Secured Claims

3.1 Maintenance of payments and cure of default, if any.

Check one.

☐ None. If "None" is checked, the rest of § 3.1 need not be completed or reproduced.

☒ The Debtor(s) will maintain the current contractual installment payments on the secured claims listed below, with any changes required by the applicable contract and noticed in conformity with any applicable rules. These payments will be disbursed either by the trustee or directly by the Debtor(s), as specified below. Any existing arrearage on a listed claim will be paid in full through disbursements by the trustee, with interest, if any, at the rate stated, pro-rated unless a specific amount is provided below. Unless otherwise ordered by the court, the amounts listed on a proof of claim filed before the filing deadline under Bankruptcy Rule 3002(c) control over any contrary amounts listed below as to the current installment payment and arrearage. In the absence of a contrary timely filed proof of claim, the amounts stated below are controlling. If relief from the automatic stay is ordered as to any item of collateral listed in this paragraph, then, unless otherwise ordered by the court, all payments under this paragraph as to that collateral will cease, and all secured claims based on that collateral will no longer be treated by the plan. The final column includes only payments disbursed by the trustee rather than by the Debtor(s).

The remainder of this paragraph will be effective only if the applicable box in Part 1 of this plan is checked.

☒ The Debtor(s) request that the court determine the value of the secured claims listed below. For each non-governmental secured claim listed below, the Debtor(s) state that the value of the secured claim should be as set out in the column headed *Amount of Secured Claim*. For secured claims of governmental units, unless otherwise ordered by the court, the value of a secured claim listed in a proof of claim filed in accordance with the Bankruptcy Rules controls over any contrary amount listed below. For each listed claim, the value of the secured claim will be paid in full with interest at the rate stated below. If no monthly payment is listed below, distribution will be pro-rated according to section 7.2

The portion of any allowed claim that exceeds the amount of the secured claim will be treated as an unsecured claim under Part 5 of this plan. If the amount of a creditor's secured claim is listed below as having no value, the creditor's allowed claim will be treated in its entirety as an unsecured claim under Part 5 of this plan. Unless otherwise ordered by the court, the amount of the creditor's total claim listed on the proof of claim controls over any contrary amounts listed in this paragraph.

The holder of any claim listed below as having value in the column headed *Amount of Secured Claim* will retain the lien on the property interest of the Debtor(s) or the estate(s) until the earlier of:

(a) Payment of the underlying debt determined under nonbankruptcy law, or

(b) Discharge of the underlying debt under 11 U.S.C. § 1328, at which time the lien will terminate and be released by the creditor. See Bankruptcy Rule 3015.
